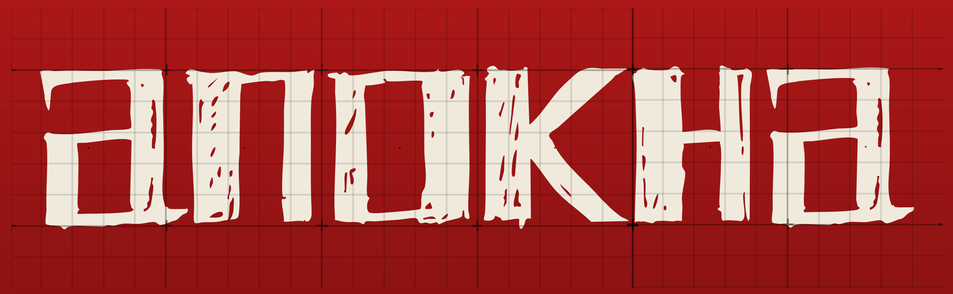
The Making of Anokha, From Concept To Identity

- concept & narrative
- brand strategy
- identity system
- brand experience

anokha
अनोखा



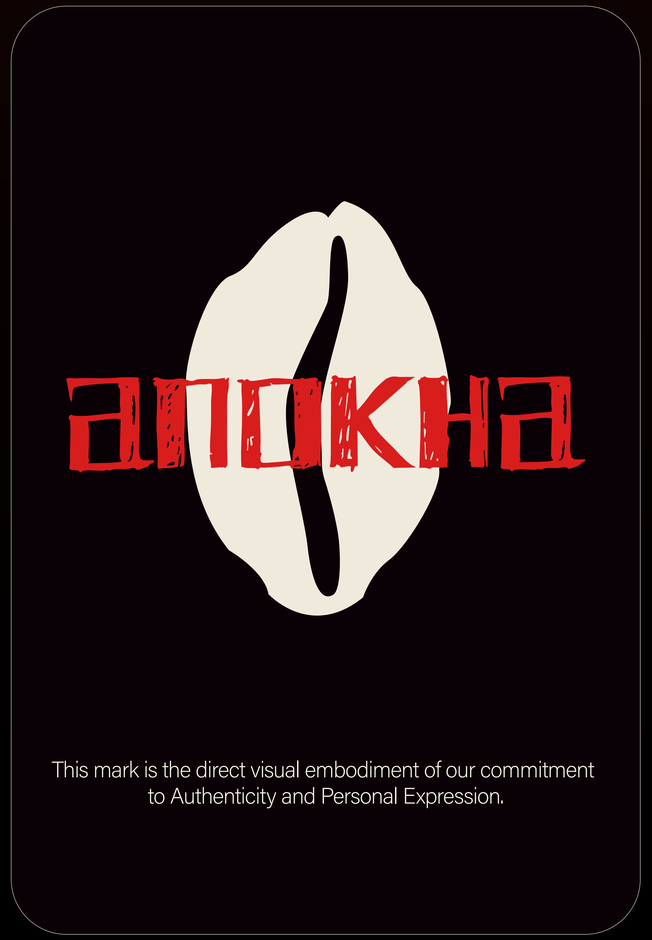
The Anokha wordmark, rendered in a distinctive script, symbolizes the unique handwriting of an individual—a commitment to authenticity, personal expression, and the beauty of standing apart.

We are Anokha, a sanctuary where calm and craft meet to spark the unique creative journey.

Curated for makers, thinkers, and dreamers, Anokha is the space where authentic expression is nurtured, and connection is found. Here, focus isn't forced, it's brewed.

Our identity reflects this philosophy. Every corner, cup, and conversation is intentionally designed to slow you down, align your thoughts, and embody the distinct beauty of standing apart.

PRIMARY MARK



This mark is the direct visual embodiment of our commitment to Authenticity and Personal Expression.

Crafted in a unique Devanagari script, it symbolizes the unrepeatable stroke of an individual creator's handwriting,

The primary marks symbolize the unique handwriting of an individual creator, reinforcing our core brand story that focus isn't forced, it's brewed.

SECONDARY MARK

This abstract graphic is used to convey movement, flow, and creative energy without literal representation. It reinforces our values of Calm and Craft, offering visual interest while maintaining a refined, thoughtful aesthetic.
